

SOLD COCAINE IN ALEXANDRIA

Drug Firm Fined \$75 for
Violating the City
Ordinance.

WAS IN CATARRH REMEDY

Defense Pleads Ignorance of Con-
tents of Cure and
Appeals.

WASHINGTON TIMES BUREAU,
ALEXANDRIA, VA., OCT. 31.
The drug firm of Lennon & Duncan
were before Justice Caton in the police
court this morning on the charge of
selling a catarrh cure containing cocaine.
Mr. Duncan was present for the
firm, and after several colored people
had testified that they had bought the
catarrh cure from Lennon & Duncan,
he stated that he had sold the catarrh
cure, but did not know at the time that
he sold it that it contained cocaine. He
had not sold any of it for several weeks.
Justice Caton stated that the ordi-
nance of the city forbids the sale of
cocaine or any preparation containing
cocaine, and he would be therefore
obliged to impose a fine of \$75, as he
had done in other cases of a similar
character. An appeal was noted.

Administrator Named.

In the corporation court, Judge Louis
C. Barley presiding, today N. P. T.
Burke was appointed administrator of
the estate of the late Mrs. Mary E.
Boyce, and qualified as such.

Probe Firemen Charges.

A called meeting of the Reliance Fire
Engine Company was held in their hall
last night to investigate the charges,
which had been preferred against all
members of the company for alleged re-
fusal to work at fires. E. Warder, who
preferred the charges was not present
at the meeting to verify same and no
action was taken.

Colored Boy Improving.

The condition of Eugene Wilson, the
little colored boy who, as reported in
yesterday's Times, is alleged to have
been shot by another colored boy named
Willis Lewis, at the convalescent camp
in Alexandria county, is reported by
the authorities at the Alexandria hospi-
tal to be slightly better this morning.
Dr. S. B. Moore yesterday evening re-
moved the band from Wilson's head.

Nothing to Make Public.

Commonwealth's Attorney S. G.
Brent in an interview with a reporter
for The Times this morning stated that
he had nothing to give out in regard to
the visit of Policeman Herbert Knight
to Pennsylvania. He stated that it was
not his policy to give out any infor-
mation as to the course being taken to
capture criminals until after they were
caught. Mr. Brent promised that when
the murderer of Smith was apprehended
that the newspapers would be notified
at once.

KEPT WORD TO WIFE

AND SAVED HIS LIFE

BURLINGTON, N. J., Oct. 31.—A
lucky change of mind saved Edward E.
Allen, of this city, from being among
the victims of the disaster at Atlantic
City.

Allen is a dispatcher of the Camden
office of the Pennsylvania railroad, and
is well acquainted with James L. Cur-
tis, conductor of the fated train, who
was a former resident of this city. The
two men met as Curtis was on his way
to his train, and the latter proposed to
Allen that he take the trip with him
to the shore. The latter took up the
proposal and boarded the train with the
conductor, but had been in his seat only
a few minutes when he remembered

PRESS WOMEN PLAN JAMESTOWN MEET

Women's National Press As-
sociation Accepts Invita-
tions From Officials.

The Women's National Press Associa-
tion has been invited to hold a confer-
ence at Jamestown during the exposi-
tion. The governing board of the Jame-
stown Exposition Company and the Nor-
folk Convention League have sent ur-
gent invitations and made encouraging
promises for the success of the confer-
ence should the association accept their
invitation for a "special day" for women
actively engaged in literary and jour-
nalistic work.

The Women's Club of Norfolk has also
expressed a willingness to co-operate
with the foregoing in making the con-
ference a success.

The members of the Women's National
Press Association, in Washington,
have accepted these invitations, and
through their vice-president in each
State, they will be extended to all
women's clubs and associations through-
out the United States and Europe.

A board meeting and general confer-
ence of the General Federation of
Women's Clubs takes place in Jame-
stown June 4, 5, and 6, and as the Press
Association is affiliated with that orga-
nization, the association decided to take
the dates of June 7 and 8, that club
women generally may have an opportu-
nity to attend both conferences.
